

**Physics Teaching position for the 2017-18 school year**

Since its opening in 1956, as a Catholic, college preparatory, co-educational secondary school, Marian welcomes students from diverse backgrounds. We are committed to fostering the growth and development of each individual in an environment of respect and accountability.

**The ideal candidate will:**

- Collaborate with school personnel, parents and other members of the Science Department for the purpose of improving the quality of student outcomes and planning curriculum.
- Create a classroom environment that is conducive to learning and appropriate to the maturity and interests of students.
- Promote Catholic values, equity and appreciation of diversity
- Maintain classroom management
- Promote high standards and expectations for student achievement
- Plan and deliver effective, creative instruction
- Perform other duties as deemed appropriate by the Principal and/or Department Chairperson

**Required Qualifications:**

- Massachusetts Teacher License for 9-12 Physics, or the ability to be certified/recertified
- 2+ years of high school Physics teaching experience including lab experience
- 1+ years of AP Physics 1 teaching experience
- 1+ years high school Chemistry teaching (possible need)
- Bachelors/Masters in Physics/Physical Science
- AP/College Board approved or willingness to become approved

**All inquiries will be treated confidentially. For consideration, please send electronically a resume and letter of interest to: Mr. John J. Ermilio, Principal, [jermilio@marianghigh.org](mailto:jermilio@marianghigh.org) by May 15, 2017.**
