

Middle School STEM Teacher

Blessed Sacrament School in Walpole, MA is currently seeking two full-time middle school STEM teachers, commencing with the 2018-2019 school year. This teacher will provide integrated math and science instruction for the middle school grades (Grades 6, 7 and 8).

Established in 1966, Blessed Sacrament School provides a Catholic education to children in Preschool through Grade 8. Blessed Sacrament School strives to nurture every child spiritually, intellectually, socially, physically, and emotionally in an atmosphere of Christian concern and service in which we are “building the City of God on a foundation of faith and knowledge.”

Candidates for this position should meet the following qualifications:

- A commitment to Catholic education
- Massachusetts teaching certification in math and science
- Prior teaching experience in both math and science at the middle school level
- Advanced degree in education or a math and/or science-related subject area (preferred)
- Experience with the utilization of project-based learning in the classroom
- A willingness to contribute to a culture of collaboration through the school’s **STREAM** program, including the integration of lessons across content areas
- Experience with curriculum design, innovative lesson planning, and the organization of collaborative and differentiated classroom learning
- The ability to seamlessly integrate technology into classroom instruction
- Familiarity with the iPad as an instructional tool

Submission Instructions: Please submit cover letter, resume and any other pertinent information to Mr. James Spillman, Principal, at: jspillman@blessedsacrament.org
